2020 Adjusted VCE Study Designs

This series of online professional learning sessions has been prepared to support Year 12 teachers in implementing the adjustments to the 2020 VCE Study Designs for each of the VCE Englishes. Each session has been prepared by an experienced teacher and provides a comprehensive outline of the relevant changes to the Key Knowledge and Skills, as well as any adjustment to School Assessed Coursework. The presenters provide practical ideas for how to amend your teaching and learning sequences. They also outline ideas for how to adjust your assessment in light of the changes, as well as any relevant adjustments to expectations for the VCAA examinations.
