

2020 VCE Student Revision Online Lectures

With the support of the Department of Education and Training, VATE has developed a suite of online lectures to help students revise for the **VCE English, EAL, English Language** and **Literature** exams. These online recordings offer students the opportunity to hear and learn from experienced VCE teachers and examiners who provide insights into key aspects of the exams for each of the VCE English Studies. These online lectures can be accessed on any computer and mobile device for extra revision as a whole class or for students to revise in their own time. Access to these lectures is unlimited and available until the end of this year.

Please refer to prices listed below – prices are per school. Please note VATE member prices and non-member prices.

VATE's VCE online revision lectures have been priced to support schools and students in these challenging times, providing access for **less than \$5 per student**. If your school faces financial barriers that make purchasing this resource for your students difficult, please email Kate Gillespie to discuss options eeo@vate.org.au. Make your selection on the relevant application form which will be sent to members and available on the VATE website. Complete all details, including payment method, and send to events@vate.org.au – details will be sent directly to those teachers listed to distribute to their classes.
